OUR PROGRAM:

Walnut Street Theatre celebrates over 40 years of bringing high-quality professional theatre to schools across the Delaware Valley. Our multi-cultural Touring Outreach Company introduces students to the art of theatre through age appropriate, curriculum-based pieces, which are socially relevant, entertaining and exciting. The Touring Outreach Company performs up to 300 shows each year, reaching more than 60,000 students annually. Each season we offer new productions and travel to schools and community organizations in Pennsylvania, New Jersey and Delaware. These low-cost programs help teachers link theatre to their curriculum, making theatre available, accessible and engaging.
